The decision of the tenderer regarding forfeiture of bid security shall be final and shall not be called upon question under any circumstances.

Award of Contract

Tenderer will award the contract to successful bidder whose bid has been determined to be responsive and has been determined to be most competitive

Contacting the Tenderer

- a) Bidder shall not approach any officers of the Tenderer beyond office hour and/ or outside office premises, from the time of the Bid opening to the time of finalization of successful Bidder.
- b) Any effort by a Bidder to influence the officials of the tenderer office in the decisions on Bid evaluation, Bid comparison or finalization may result in rejection of the Bidder's offer. If the Bidder wishes to bring additional information to the notice of the tenderer, it should do so in writing.

Right to Accept Bid and to Reject any or all Bids

The Tenderer reserves the right to accept or reject any proposal, and to annul the tendering process and reject all proposals at any time prior to award of contract, without thereby incurring any liability to the affected bidder or bidders or any obligation to inform the affected bidder or bidders of the grounds for the tenderer action.

Lack of Information to Bidder

The bidder shall be deemed to have carefully examined TENDER document to his entire satisfaction. Any lack of information shall not in any way relieve the bidder of his responsibility to fulfill his obligation under the bid.

Fraudulent & Corrupt Practice

“Fraudulent Practice” means a misrepresentation of facts in order to influence a procurement process or the execution of the project and includes collusive practice among bidders (prior to or after Bid submission) designed to establish Bid prices at artificial non-competitive levels and to deprive the tenderer of the benefits of free and open competition.

“Corrupt Practice” means the offering, giving, receiving or soliciting of anything of value, pressurizing to influence the action of a public official in the process of project execution. Tenderer will reject a proposal for award if it determines that the bidder recommended for award has engaged in corrupt or fraudulent practices in competing for, or in executing, the project.

Certification

The installation work should be certified by the **A Class Electrical Engineer/ Contractor**.

Penalty

In the event when the bidder is unable to supply and install the above items within a period of three months, a penalty of 1000/- per day delay shall be levied. If the delay continues beyond one month, the tenderer, may terminate the contract.
