

# PITHAMPUR AUTO CLUSTER

(A Government of M.P. Undertaking)

(Established under IIUS of Department of Industrial Policy and Promotion, Government of India)

No. PAC/IND/2022-23/ **56**

Dated: **27/06/23**

## Directions to Industries for

### Disposal of Hazardous Waste & Pre-processing of waste

Pithampur Auto Cluster is promoting an Integrated Common Hazardous Waste Treatment Storage & Disposal Facility in Pithampur, Madhya Pradesh. The facility is authorized by the Madhya Pradesh Pollution Control Board (MPPCB) and the government of Madhya Pradesh for the disposal of hazardous waste generated by industries in the state. The facility is also planning to include waste recycling for AFRF, e-waste, and paper recycling. Industries are reminded to comply with the rules for hazardous waste disposal within the specified time schedule.

The facility operates under the terms and conditions set by the Madhya Pradesh Pollution Control Board (MPPCB) and Pithampur Auto Cluster. The approved hazardous waste disposal price circular and minimum service charges are available on the Pithampur Auto Cluster and PIWMPL websites. Industries are urged to support and comply with the facility's operations for long-term sustainability and also ensure compliance of hazardous waste generated within stipulated time schedule for disposal of hazardous waste under the rule 8 of Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016

With regard,

For Pithampur Auto Cluster
